THE GOLDEN TRIANGLE OBJECTIVE

A **365** PROJECT
CHALLENGE

A Message from Bishop Wayne Dority

It is amazing to see how God has blessed our churches and worshippers in Tennessee. Attendance is growing and we are seeing record finances with tithe and offerings.

It is my opinion that these blessings are a direct result of the advances we are making in World Missions ministry.

This is where we find the favor of God, and this is when we realize the reciprocal blessing and promises of God.

I am asking every Tennessee pastor and church member to help us this year as we reach beyond our own borders making a difference in the Golden Triangle S.E. Asia.

Let's all get involved and believe for God's continued favor!

GOLDEN TRIANGLE OBJECTIVE

Tennessee has adopted The Golden Triangle as our state missions project - 2023-2024. The Golden Triangle is approximately 327,000 square miles centered around the Mekong River that connects Myanmar, Laos, and Thailand. The influence this area exerts on the rest of the world is almost indescribable.

The GTO (Golden Triangle Objective) will strategically target the Last, the Least, and the Lost of humanity by ministering in four main categories which are: Prison ministry, Human Sex Trafficking, Drug Addictions and Christ centered Evangelism.

THE WHY

DRUG ADDICTIONS

- Golden Triangle produces 25% of the world's opium
 - Myanmar- 405 metric tons produced in 2020
- Myanmar is the largest meth producer globally
 - 10,000 pills per hour produced per lab
- Myanmar - 17 million people globally consume meth annually that comes from Myanmar
- Golden Triangle - poppy farmers are being paid 1/3 of their income in YABA pills, which forces them to become dealers to survive

With the help of each Tennessee church and every attendee, we are determined to make a difference. Please pray and ask God how YOU can be involved.

A Message From

Tennessee Representative Terrell Brinson

Over the past four years, Tennessee churches and individual contributors have laid the foundation for advancing ministry and soul winning in S.E. Asia.

NOW, we are taking our missions ministry to the next level.

With the help and supervision of Ronnie Hepperly, Superintendent of S.E. Asia, we have constructed ministry centers, bible schools, orphanages and credentialed more than 300 ministers and church planters. These men and women of God are now ready to march into the Golden Triangle waving the banner of love and Christ centered evangelism founded on the Word of God.

Our (GTO) **Golden Triangle Objective** is to now address the overwhelming problem of drug addiction / production and focus our attention on the Human Trafficking among the little children.

With the help of each Tennessee church and every attendee, we are determined to make a difference. Please pray and ask God how YOU can be involved.

You may never travel the Golden Triangle yourself, but you can help send someone who can go as an extension of your testimony and fulfill the Great Commission in your own life.

Together...WE CAN!
