2. Meaning and Usage of the Title Ordained "Bishop"

That the title Ordained "Bishop" as a third tier of licensure be retained.

3. Resolution Concerning Human Identity and Sexuality

WHEREAS, we are faced with societal, cultural, and sociopolitical theories that view "gender identity" as a social construct that proposes there is no Biblical truth to gender, and that gender is contextualized as a matter of choice; and

WHEREAS, the Church of God recognizes that today's culture is increasingly embracing a non-biblical view of human sexuality and gender identity by normalizing the LGBTQ+ agenda, including sexuality, and that biblical sexual norms are being replaced with a postmodern non-biblical view of sexual orientation, gender fluidity, and self-gendering; and

WHEREAS, being created in God's image gives personal identity, dignity and equality to male and female; and

WHEREAS, self-identifying with any sexual orientation or gender identity contrary to the biblical view of gender and sexuality, including such terms as "gay Christian," "homosexual Christian," or any other non-biblical sexual orientation or gender identity is an affront to the Gospel; and

WHEREAS, nowhere in Scripture is it suggested that individuals may self-identify as the gender they wish to be rather than the biological or "natural considerations," and that the Church believes that Scripture is God's final, authoritative, and Spirit-inspired Word to the Church, and that the Bible explains God's design of creation and what constitutes human sexuality, as well as the purpose, order, wholesomeness, and beauty of human sexuality (e.g., Gen. 1:26-27; Gen. 2:18-24; Matt. 19:4-5);

THEREFORE BE IT RESOLVED, that we the people of the Church of God affirm our belief in God's perfect design for human sexuality (Genesis 1:27); and

BE IT FURTHER RESOLVED, that because God offers restoration and redemption through Jesus Christ to all who confess and forsake their sin, we believe that all people should be treated compassionately, and that care should be taken to offer prayer and competent counsel for those who face sexual confusion; and

THEREFORE BE IT FINALLY RESOLVED, that in order to preserve the doctrinal integrity of the Church of God as part of the Body of Christ, and to provide a biblical role model to our movement, it is imperative that all persons employed by the church in any capacity, or who serve as ministerial volunteers, agree to and abide by the Declaration of Faith and doctrinal statements of the church. (Genesis 1:27, 2:20-24, 3:17; Proverbs 18:22; 1 Corinthians 11:3, 11; Ephesians 5:3; 1 Peter 3:7)

4. Biblical Fidelity in Gender Identity Affirmation

That page 111, S29. INSTRUCTIONS FOR MINISTERS, II. MARRIAGE AND SAME-SEX RELATIONSHIPS be amended by inserting:

7. No Church of God minister shall permit any employee of any church or institution of the church, under their direct authority, to knowingly participate in using or verbally affirming the use of a self-selected gender identity that is incongruent with the individual's biological sex. Ministers are prohibited and must prohibit their employees from encouraging or affirming people and especially people within their care to identify with their sexual temptation, their

unbiblical sexual attraction, or a self-selected gender or gender pronoun, which is incongruent with their biological sex.

Engagement in this behavior is grounds for disciplinary action. Failure of credentialed ministers to prohibit their employees of denominationally affiliated institutions or churches, under their authority, from engaging in this behavior is grounds for disciplinary action. "Employees" shall be defined as credentialed employees, or any employees connected with conveying the message of the church and carrying out its mission.

5. Usage of the Titles of God

15. Report/Announcement - Virtual Church

During a pandemic where health concerns forced "virtual" church services to become an option to regular in-person worship, many churches experienced great results and furthered their evangelistic outreach through different methods of virtually reaching their church members and other interested persons. Because of such great success with further opening the church house doors through electronic mediums, it is important that we continue to pursue every option to reach a global harvest as we seek to fulfill and FINISH the Great Commission.

With ever-increasing technology expanding social and public mediums of communications, a task force will be appointed to review the possibilities and challenges in potentially organizing and establishing virtual churches. Structural and organizational challenges will be identified and reviewed, with recommendations concerning governance and operations submitted to the International Executive Committee and International Executive Council for

consideration. If necessary, appropriate motion(s) will be made available to the 2024 International General Assembly.
